

Bay Bombers Roller Derby Is Coming To San Francisco

The **Bay City Bombers** combine efforts with the (ARSD) **American Roller Skating Derby** and other *derby groups* in order to invigorate the modern banked track roller derby with the classic home team, the **BOMBERS**. Today's **BOMBERS** is a rough, tough, athletic competition, mixing trash-talkin' attitude, showmanship, wipeouts and injuries, that keep huge audiences thrilled.

The famed **BOMBER TEAM** is the acknowledged industry leader of *professional roller derby* and abides by Internationally sanctioned [rules](#).
